## What is IFSEA?

IFSEA is a not-for-profit organization dedicated to the improvement of the administration of family support programs in Illinois. One of the goals of IFSEA is to provide ways and means whereby state and county officials, organizations, and individual practitioners involved in family support enforcement can exchange information, ideas and experience and obtain expert advice.

The IFSEA conference gathers together child support professionals from throughout the State of Illinois to learn, explore, and discuss issues affecting the child support community. IFSEA welcomes the opportunity to hold this annual conference and offer its members the ability to meet and network with other child support professionals.
